

9. Which group would you most prefer to work in?

- A group of all girls
- A group of all boys
- A group that is mixed with both girls and boys
- Doesn't matter- I am comfortable with any group of students I am placed in

10. **SELECT ALL** of the following that describes you in a group setting:

- I am sociable and comfortable in most group settings
- I am quiet and/or shy in a group setting. It takes me a while to get comfortable speaking up in front of people
- I am easily distracted and need to be with other students that are serious and can help keep me focused
- I am usually the one in a group that carries the load and does all the work

11. Look around the room at your fellow classmates. Do you recognize anyone? Are there any student(s) you know you would work well with AND would bring out the best in you academically? Please explain.

12. Is there anything I should know about you as a student that **will help me teach you better**? This is the chance to tell me anything you need so I can help you be more successful in this class!

13. Sometimes our school systems are not properly updated. Therefore, who in your family would be the best person for me to get ahold of (either by email or phone) should the need arise for class announcements or communications?

- a. Name: _____
- b. Relationship to you: _____
- c. Phone number: _____
- d. Email address: _____
